

CAST & BLAST

Entre Rios, Argentina

PROGRAM
August 15th - May 15th

THE SHOOTING

- The population of our dove roost is over 10 million birds and is located entirely within our ranch.
- 5 minute drives or walks to the field.
- Hunting starts between 7:00 and 8:00 depending on the time of the year, after a hearty breakfast.
- Shooting on property allows you to shoot all day or to stop whenever you want, without your friends needing to wait for you or vice versa.
- We come back to the lodge for lunch and siesta every day, prior to the afternoon hunt.
- You will be assigned a hunting guide who will provide you with shells and refreshments and attend to your every need.

High volume, no limit, year around season.

THE FISHING

The Golden Dorado is an acrobatic, explosive game-fish with powerful jaws and razor sharp teeth.

- Access to the river inside our ranch. A 5 minute drive from our lodge.
- Fly Fishing, Bait Casting and Spinning rods available for rent.
- All fishing is done from Skiffs, so no need for waders.
- Golden Dorado fishing is Catch & Release.
- There are more than 7 other species available to fish, including Argentina's famous "Surubi" catfish.
